PRINCIPAL'S MESSAGE

This message is intended for the students in grade nine, but, if the boys and girls in grades seven and eight accept it, they may find it helpful to them in the rest of their school years.

It is my sincere hope that your work, studies and associations in this school have helped you to develop a deeper appreciation of "the other guy". Very few people spend their lives without close contact with other people. In order for our day to day relationships to be pleasant and meaningful it is necessary for such relationships to be free of friction, criticism and hostility. These will not appear if we try to understand the "other guy's" point of view - his beliefs - his prejudices. We do not have to accept these - they may be in direct opposition to our own - but an understanding of these will make it easier to understand "the other guy" and day to day relationships become easier.

It is, also my sincere hope that you will have developed a better understanding of yourself - a knowledge of your own strengths and weaknesses, along with the desire to build on the former and correct the latter.

If you have this, along with an appreciation of "the other guy", then you will be taking from this school something that cannot be measured in H's, A's, B's, etc.; something that is far more valuable than all the other knowledge you have acquired or training you have received, because, while happiness may depend on many things, these two ingredients are essential.

G. R. Schurman
Principal

STUDENTS' UNION MESSAGE

We, the Students' Council Executive, hope that we have been able to serve you during this past year. It has been our desire to include something for everyone in our program. We would especially like to thank the teachers who helped us with organization and supervision throughout the term. We have had a great deal of fun and satisfaction out of our part in this year's activities.

Thank you.

VALENTINE'S DANCE

DAVID MAZUREK and GORDON VENNER at Premier Kosygin's luncheon, making their presentation.

MR. KOSYGIN'S VISIT

The boys and girls from Mr. Peddicord's class volunteered their time to present Premier Kosygin's daughter with a beautiful wooden bowl with the Alberta Rose engraved on it. David Mazurek and Gordon Venner were chosen to present her with this gift.

On Sunday, October 24, 1971 Kosygin's party arrived safely in Edmonton at 10:30 A. M. At 12:45 P. M. Mr. Kosygin had lunch with Premier Lougheed and his wife, Honourable Grant McEwen and his wife, Mayor Dent, and many members of the Legislative Assembly.

After lunch Gordon Venner and David Mazurek made the presentation and said:

"We are pleased and honoured to present you with this wooden bowl on behalf of our school and the youth of Alberta as a reminder of your 1971 visit to our province."

We extend our congratulations to Mr. Peddicord and his class for taking this opportunity and exerting the effort of extending such a noble gesture of friendship to the Russian dignitaries.
